¹ The fund balance in Fund 111, Reston Community Center, is maintained at adequate levels relative to projected personnel and operating requirements. Available fund balance is divided into three reserve accounts; a Maintenance Reserve, designated at 12 percent of total expenditures, to provide funds for unforeseen catastrophic facility repairs; a Feasibility Study Reserve, designated at 2 percent of total expenditures, to support studies of potential future programming; and a Capital Projects Reserve for future capital projects maintained at a range of \$100,000 to \$1,000,000.

² Funds reserved for capital projects are not encumbered based on normal accounting practices; however, they are allocated for future capital projects.
